

THE RIGHT CHOICE

At StayOnline, we know that our certification sets high expectations for our work. It guarantees you high-quality service, which is why it is so important to us.

Computers and phones are critical to keeping your business going, and we offer faster turnaround service than any other Apple Authorized Service Providers in town. We can repair your Mac in about 24 hours versus 5 - 8 days it normally takes other providers.

As well as handle warranty and AppleCare+ issues, we work directly with Apple and use only original replacement parts. In using original Apple parts, your device will continue to be under warranty after it is repaired.

- Our certified technicians have undergone intensive training with Apple
- We provide you with 90 days warranty on all repairs
- Your existing product warranty remains intact with our repairs
- We repair your product no matter where it was bought
- We offer competitive prices
- Get your phone repaired in under 1 hour with our walk-in service
- You can book your repair online on our website

Always online with a secure partner!

Apple Authorized Service Provider
Only certified technicians and original quality assured Apple parts

WE ARE THE SAFEST SOLUTION

At StayOnline we are only as good as our last repair.

StayOnline has its roots in Denmark, Scandinavia, where we run a successful business. StayOnline has over 20 years of experience in the industry.

It is important to us that our repair shops, are where our customers are, and that our customer service is locally based.

You are welcome to contact us, we are always very interested to learn more about your business.

We always make sure to prioritize our client relationships. You can feel safe in the knowledge that we understand how valuable your phone and computer can be.

We understand you don't have time to stand in line for repairing, dropping off or picking up products. Let StayOnline handle your Apple service so you can focus on your business.

All of our repair shops are 100% ESD-secured.

We always perform a quality test of your product before it leaves our repair shop.

We have a Free pickup and delivery service, to business clients as per agreement.

When you become a business partner, you will receive a partner login to our advanced CRM system with a live, interactive dashboard, where you can keep an eye on your repairs and service history.

You are assigned a regular contact person from start to finish.

We are an  Authorized Service Provider
